### Credit for Prior Coursework

Please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implication for time to completion. Please indicate NA if not applicable.

If students have completed prior graduate work that covers discipline-specific knowledge, they may not be required to repeat those courses in this program. Relevant coursework will be evaluated by the DCT after a student is admitted to the program and upon request of the student. Coursework waived based on prior graduate work will have no impact on time to completion.
